ICNN 2026

INTERNATIONAL CONGRESS ON NEUROLOGY AND NEUROSCIENCE

3-6 SEPT 2026

UNA HOTELS
Expo Fiera Milano

3rd September | Thursday

09:00-09:30	Registration & Welcome Coffee	Sergei Erekle
09:30-10:00	Opening Remarks & Congress Overview	Veljko Pavlovic
10:00-10:45	Opening Keynote: The Future of Precision Neurology	
10:45-11:15	Coffee Break	
11:15-12:30	Session 1: Stroke & Cerebrovascular Diseases - Acute Stroke Management - Mechanical Thrombectomy - Secondary Prevention	Jaaks Sar
12:30-13:30	Lunch Break	
13:30-14:45	Session 2: Biomarkers & Neuroimaging - Blood Biomarkers - MRI & PET Imaging - Digital Biomarkers	Kersti Jakobson
14:45-15:15	Coffee Break	
15:15-16:30	Session 3: Movement Disorders - Parkinson's Disease - Essential Tremor - Deep Brain Stimulation	Sirgev Ivanov
16:30-17:00	Wrap-up & Day 1 Closing	Sergej Nebojsa

4th September | Friday

09:00-09:30	Morning Coffee & Networking	
09:30-10:15	Keynote Lecture: Advances in Epilepsy Treatment	Milijan Petar
10:15-11:30	Session 4: Epilepsy Treatment - Drug Resistant Epilepsy - EEG Monitoring - Status Epilepticus Coffee Break	Nerses Bebek
11:30-12:00	Coffee Break	
12:00-13:00	Management of Alzheimer's Disease in Treatments and Drug Interactions	Ismet Melek
13:00-14:00	Lunch Break	
14:00-15:15	Interactive Workshop: Challenging Neurology Cases	Veljko Pavlovic
15:15-15:45	Coffee Break	
15:45-16:45	Panel Discussion: Future of Neurodegenerative Disease Management	Kersti Jakobson

5th September | Saturday

09:00-09:30	Morning Coffee & Networking	
09:30-10:15	Keynote Lecture: Artificial Intelligence in Neurology	Jaaks Sar
10:15-11:30	Epilepsy Management in Clinical Practice: The Role of Topiramate and Levetiracetam	Ibrahim Öztura
11:30-12:00	Coffee Break	
12:00-13:00	Session 5: Neuroimmunology & Multiple Sclerosis Management of Alzheimer's Disease in Clinical Practice: Current Treatments and Drug Interactions - Novel Therapies - Personalized Medicine - Future Perspectives	Sergei Erekle
13:00-14:00	Lunch Break	Sirgev Ivanov
14:00-15:30	Session 6: Digital Health & Artificial Intelligence - AI in Diagnosis - Wearable Technologies - Remote Monitoring	
15:30-16:00	Coffee Break	Milijan Pet
16:45-17:30	Young Investigator Presentations	

6th September | Sunday

09:00-09:30	Morning Coffee & Networking	
09:30-10:30	The Use of Donepezil and Memantine in Alzheimer's Disease	Osman Korucu
10:30-11:00	Coffee Break	
11:00-12:00	Closing Panel Discussion: Future Directions in Clinical Neurology	Sergei Erekle (Moderator) Panelists: Ibrahim Öztura
12:30-13:00	Award Ceremony	Sergei Erekle
13:00-13:30	Closing Remarks & Farewell
